YOUR PERSPECTIVE. MORE PLACES TO SHARE IT.

Take your audience with you.

Capture personal tours, exploration trips and the places you discover.
Build a portable workflow for travel stories, demonstrations and guided content.

AI-generated concept image. Final equipment and services are confirmed in your quote.

YOUR POINT OF VIEW

Explore hands-free clips and compact handheld recording options.

SEE MORE OF THE PLACE

Use 360 capture to preserve more of the setting for later framing.

MAKE A TRAVEL LIBRARY

Keep approved footage organized for stories, tours and your own site.

Package scope: compact capture options, microphone, selfie support, recording media, storage, power and orientation.

Personal / Travel / Guided Tours

Scope your kit

Choose the capture style, travel conditions and equipment you want to carry. We will scope a practical portable package.

Phone, computer, connectivity and final camera modes require confirmation. Continuous glasses streaming, live 360, editing, cloud storage and transcription are not assumed included. Respect filming permissions.
